# Welcome to our Daphne's Headcovers® Family

- Jane Spicer, CEO

*"Hello, I'm Jane Spicer and I own Daphne's Headcovers. I founded the business with my mother, Daphne, our company's namesake, with the goal of buying a sailboat as a young girl. Thirty-seven years later, we are designing, creating and producing Daphne's Headcovers for more than 30,000 satisfied clients in more than 40 countries."*

## The Daphne's Difference

Each of our headcover creations exhibits what you'll come to recognize as the Daphne's Difference. From conception to completion, each design is developed with an emphasis on quality, form, function and attention to even the minutest detail. Every headcover bears our label, factory telephone number and my mother's signature of assurance. Our phone number assures your customers will find us eager to help should a headcover need attention. My mother's signature reminds us of our mission. I believe that every animal you purchase from Daphne's represents our commitment to your success and we will trade or replace any headcover that does not sell and is not shop worn.

## Earning Your Business

When you choose to purchase our headcovers, you'll not only receive the highest quality headcover on the market, but also the experience and support of our entire Daphne's team. You'll feel that difference with your first conversation with any of our crew members. Whether you speak with me or any of our phone staff, you'll know you are dealing with someone with expertise, energy and ideas. We are all empowered to develop solutions for you and we look forward to being partners in your success.

## Let's Work Together

We are prepared to collaborate with you in displaying, marketing and caring for your customers. But our unique partnerships work both ways. So give us your suggestions, tell us your animal stories and maybe you'll influence our next creations. We're good listeners, too.

## Let's Get Started

We invite you to partner with us as a member of the Daphne's team. We think you'll enjoy the experience, and your business will benefit from what we have to offer. With more than 36 years as the industry's benchmark for quality from custom designs and hand finished details to corporate logos, we think you'll find the sailing smooth. Most importantly, you have my word on it.

*P.S. "I did buy that sailboat and it reminds me to keep my eyes on the destination even during the roughest of seas."*

*Happy golfing,*

# The Daphne's Difference

**Lifetime Guarantee!** Each headcover carries a 100% guarantee. Customers can call Daphne's toll-free number where every staff member is empowered to solve the problem.

**Quality comes first.** Not only are we the best but we'll most likely be your favorite, too!

**Pumped up!** Each headcover uses thread four times stronger than necessary.

**Looking new!** Fabrics are designed to fend-off the wear and tear of the sun's UV rays.

**What do you think?** We encourage calls and input, especially with ideas for custom designs and embroidery.

**We protect the investment** in your expensive equipment and line our headcovers with thick, synthetic sheepskin which we introduced to the market. Our lining is double the plush of any other on the market.

**Daphne's headcovers deter theft.** You won't be advertising what's under the cover.

**We're washable!** Our quality furs allow all headcovers to be hand washed, dry cleaned or spot washed. Line drying and blow drying will fluff the furs.

**Premium furs.** Different types of furs provide unique looks and textures including our spotted coat Leopard, the short and curly fur of our Golden Retriever or the long fur of the Yorkshire Terrier.

**Personality plus.** Daphne's Headcovers encourage your personality to shine through on the golf course making your golf bag easy to recognize.

**Working for you.** Specializing in animal headcovers and other unique designs, we create the highest quality headcovers on the market and we dedicate our energy and focus to the process and to our customers.

**Built-in profit.** Each headcover generates up to 50% profit based on keystone pricing. If a headcover doesn't sell, simply send it back and we will replace it!

**Daphne's on TV.** Daphne's Headcovers are carried on all the major tours—PGA, LPGA, Champions and Australian Women's Tour – and at Celebrity fund-raising events.

**Big names.** Can you guess who carries our Tiger? Here are just a few of the pros and what they carry: Ernie Els (Lion), David Horsey (Horse), Aaron Baddeley (Badd's Koala), Darren Clark (Frog), Rory McIlroy (St. Bernard), Lorena Ochoa (Mexican Flag), Craig Stadler (Walrus), Brandi Burton (Chimp), Julieta Granada (Crab), Ryan Moore (Rhino), Bubba Watson (Little Bubba), Louise Friberg (Weimaraner), Dottie Pepper (Daisy De Ball), and Lydia Ko (Monkey Made of Sockies).

Visit our website ([www.daphnesheadcovers.com](http://www.daphnesheadcovers.com)) to see the rest of Daphne's "Headcover Hall of Fame."

**Leading the way.** Daphne's is an industry leader and we design and market ahead of the golf-industry trends in keeping current with official USGA Guidelines.

## Daphne's Definitions

**Putter Covers:** Daphne's new generation of club headcovers are designed to accommodate traditional blade and mallet putters with a size maximum of 3" x 5".

**Hybrid Covers:** These are an excellent choice for junior clubs and smaller fairway woods. They are especially geared toward the growing market trend to hybrid and utility clubs which meld the playability of woods/metals and longer irons by creating unique shapes and designs.
