Welcome to our Daphne's Headcovers® Family

Jane Spicer, CEO

"Hello! I'm Jane Spicer, owner of Daphne's Headcovers. I founded the business with my mother, Daphne, our company's namesake, with the goal of buying a sailboat as a young girl. Forty-five years later, we are designing, creating and producing Daphne's Headcovers for more than 30,000 satisfied clients in more than 75 countries."

The Daphne's Difference

Each of our headcover creations exhibits what you'll come to recognize as the Daphne's Difference. From conception to completion, each design is developed with an emphasis on quality, form, function and attention to even the tiniest detail. Every headcover bears our label, factory telephone number and my mother's signature of assurance. Our phone number assures your customers will find us eager to help should a headcover need attention. My mother's signature reminds us of our mission. I believe that every headcover you purchase from Daphne's represents our commitment to your success and we will trade or replace any headcover that does not sell and is not shop worn.

Earning Your Business

When you choose to purchase our headcovers, you'll not only receive the highest quality headcover on the market, but also the experience and support of our entire Daphne's team. You'll feel that difference with your first conversation with any of our crew members. Whether you speak with me or any of our phone staff, you'll know you are dealing with someone with expertise, energy and ideas. We are all empowered to develop solutions for you and we look forward to being partners in your success.

Let's Work Together

We are prepared to collaborate with you in displaying, marketing and caring for your customers. But our unique partnerships work both ways. So give us your suggestions, tell us your animal stories and maybe you'll influence our next creations. We're good listeners, too.

Let's Get Started

We invite you to partner with us as a member of the Daphne's team. We think you'll enjoy the experience, and your business will benefit from what we have to offer. With more than 45 years as the industry's benchmark for offering personalized service from custom designs and hand-finished details to corporate branding applications, we think you'll find the sailing smooth. Most importantly, you have my word on it.

Happy golfing,

P.S. I did buy that sailboat and it reminds me to keep my eyes on the destination even during the roughest of seas.

The Daphne's Difference

Lifetime Guarantee!

Each headcover carries a 100% guarantee. Customers can call Daphne's toll-free number where every staff member is empowered to solve the problem.

Quality comes first. Not only are we the best but we'll most likely be your favorite, too!

Pumped up! Each headcover uses thread four times stronger than necessary.

Looking new! Fabrics are designed to fend-off the wear and tear of the sun's UV rays.

What do you think? We encourage calls and input, especially with ideas for custom designs and embroidery.

We protect the investment in your expensive equipment and line our headcovers with thick, synthetic sheepskin which we introduced to the market. Our lining is double the plush of any other on the market.

Daphne's headcovers deter theft. Keeps your quality clubs under cover.

We're washable! Our quality fur allows all headcovers to be hand washed, dry cleaned or spot washed. Line drying and blow drying will fluff the fur.

Premium fur. Different types of fur provide unique looks and textures including our spotted coat Leopard, the short and curly fur of our Golden Retriever or the feathered fur of the Chicken.

Personality plus. Daphne's Headcovers encourages your personality to shine through on the golf course, making your golf bag easy to recognize.

Working for you. Specializing in animal headcovers and other unique designs, we create the highest quality

headcovers on the market and we direct our energy and focus to the process and to our customers.

Built-in profit. Each headcover generates up to 50% profit based on keystone pricing. If a headcover doesn't sell, simply send it back and we will replace it!

Daphne's on TV. Daphne's Headcovers are carried on all the major tours—PGA, LPGA, Champions and Australian Women's Tour—and at celebrity fund-raising events.

Big names. Guess who carries our Tiger? Here are just a few of the other pros that carry Daphne's: Tiger and Charlie Woods (Tiger), Nelly Korda (JD Lion Hybrid), Collin Morikawa (Chocolate Lab), John Daly (John Daly Lion), Lexi Thompson (Westie), Patrick Cantlay (Yellow Lab), Keegan Bradley (Doodle), Sahith Theegala (Doodle), Mel Reid (Bulldog), Jessica Korda (Doodle), DJ Khaled (John Daly Lion), Alice Cooper (Snake), Michelle Wie (Giraffe and Girl Monkey Made of Sockies Hybrid), Ernie Els (Lion), Lydia Ko (Monkey Made of Sockies), Jin Young Ko (Pig), Mo Martin (Chicken), Dustin Johnson (Black Lab), Chez Reavie (Golden Retriever), Matthew Fitzpatrick (Lighthouse), Greg Norman (Shark), Brittany Lincicome (Chocolate Lab), Padraig Harrington (Lady Bug), Danny Willett (Pug), Jake Owens (Pink Flamingo), Jason Kokrak (Eagle), Joel Dahmen (Black Lab), Marc Leishman (Koala), Carlos Ortiz (Doodle), and Maria Fassi (Giraffe) to name just a few.

Leading the way. Daphne's is an industry leader and we design and market ahead of the golf-industry trends, aligning with official USGA guidelines.

Daphne's Definitions

Hybrid headcovers: These are an excellent choice for junior clubs and smaller fairway woods. They are especially geared toward the growing market trend to hybrid and utility clubs which meld the playability of woods/metals and longer irons by creating unique shapes and designs.
